MEET IN THE
BOBBY JONES CLUBHOUSE CONFERENCE ROOM

The public is invited to attend a public meeting at Bobby Jones Golf Club to share thoughts and suggestions with Richard Mandell, of Richard Mandell Golf Architecture, as he finalizes a master plan for the facility. Richard will present, review and gather feedback on his approximately 90% completed master plan.

The staff of Bobby Jones Golf Club is committed to providing qualified disabled individuals an opportunity to participate in these public meetings. If you are a qualified individual with a disability who requires reasonable auxiliary aids and services in order to participate, please advise our office at least two business days in advance as to the nature of the auxiliary aids and/or service necessary.

Every effort will be made to provide such aid or service to the extent that they are reasonable, do not result in undue financial or administrative burden, and do not alter the fundamental nature of the meeting. Consideration will be given to the individual's preferred aid or service. However, alternatives may be provided if in the City's determination such alternatives provide an effective means of communication.
